MACTac Precise Policies

- Minimum order 1 roll. Minimum width 3".
- MACTac standard 3" cores (unless stated otherwise on the Product Description Line throughout this listing), splicing, labeling, packaging & pallets will be used.
- Pallets can contain mixed roll widths; all efforts will be taken to limit mixed pallet to one per product ordered.
- All roll lengths 10K & greater will be cradle packaged for handling and shipping safety.
- MACTac designated carriers required, unless ordered FOB MACTac.

MACTac Lead Times

- **Same Day Shipping (SD):** Orders <20 MMSI received by 10:00 AM ship the same day. 10:00 AM Order cut off is time zone specific to shipping DC location. Applies only to products designated as Same Day.
- **Next Day Shipping for all Precise, Spliceless and Standard MRS Products:** Orders of 70 MMSI or less received by 4:00 PM ship the next day. Applies to all Distribution Centers. 4:00 PM order cut off times is time zone specific to shipping DC location.
