

PERFORMANCE GUIDE

IMP1810 INDIE[®] Matte Polypropylene

Revised: 08/12 AKH

Description			Applications and End Uses	
Product	IMP1810 is a 3.0 mil matte white Ind polypropylene with a patented for adhesive and a 3.2 mil SCK liner. HP Indigo Certificati RI-4050-10-1806 & RI-6000	rmula non ooze acrylic	For prime labeling applications requiring the durability and aesthetics of film labels Recommended for semi-rigid and rigid containers. Market segments: food, cosmetic, toiletries, household cleaners, beverage and more.	
Face	A 3.0 mil Indigo printable opaque matte white, biaxially oriented, coated polypropylene.			
	Physical Properties Without Adhesive			
	Caliper, inches		.0030 +/- 10%	ASTM D-2103
	Tensile @ Break, pppiw		4 MD 72 CD	ASTM D-882
	Elongation, %	1	50 MD	ASTM D-882
	Opacity, %		4	TAPPI 425
	Physical Properties of Adhesive Thickness, inches Peel Adhesion, Ibs./in.	adhesion to a wide variety 0.0007 +/- 10% 1.6 or paper tear		-101F (30 min. applied)
	Physical Properties of Adhesive Thickness, inches	0.0007 +/- 10%	PSTC	-101F (30 min. applied)
Liner	Physical Properties of Adhesive Thickness, inches Peel Adhesion, Ibs./in. Temperature Ranges Minimum Application	0.0007 +/- 10% 1.6 or paper tear +25°F (-4°C) on most su -75°F to +200°F (-60°C to her excellent for die cutting	PSTC rfaces o +93°C)	
Liner	Physical Properties of Adhesive Thickness, inches Peel Adhesion, Ibs./in. Temperature Ranges Minimum Application Service Ranges A semi-bleached calendared kraft lin	0.0007 +/- 10% 1.6 or paper tear +25°F (-4°C) on most su -75°F to +200°F (-60°C to her excellent for die cutting	PSTC rfaces o +93°C)	
Liner	Physical Properties of Adhesive Thickness, inches Peel Adhesion, Ibs./in. Temperature Ranges Minimum Application Service Ranges A semi-bleached calendared kraft lin Primarily for roll -to -roll application	0.0007 +/- 10% 1.6 or paper tear +25°F (-4°C) on most su -75°F to +200°F (-60°C to her excellent for die cutting s.	PSTC rfaces o +93°C) ;, stripping and label di	spensing.
WS6000 Press	Physical Properties of Adhesive Thickness, inches Peel Adhesion, Ibs./in. This product complies with CONEG regulations.

All Mactac Roll Label products meet the requirements of the Clean Air Act of 1990.

Note: The user is responsible for determining the product's suitability for all aspects of the application. If there are any questions about applications, or regulatory compliances, please contact your Mactac sales representative to discuss your requirements for recommendations. If this is a printed Performance Guide, it is an uncontrolled document. Please check the Mactac website for the latest, most up-to-date version at www.mactac.com

IMP1810 has been independently evaluated and qualified by Rochester Institute of Technology for use on HP Indigo WS4050 & WS6000 digital presses. Reference certificate number from RIT: RI4050-10-1806 & RI6000-10-1806.

IMPORTANT NOTICE: The information given and the recommendations made herein are based on our research and are believed to be accurate, but no guarantee of their accuracy or completeness is made. In every case, user shall determine before using any product in full scale production, or in any way, whether such product is suitable for user's intended use for their particular purpose under their own operating conditions. User assumes all risk and liability whatsoever in connection with their use of any product. The products discussed herein are sold without any warranty as to merchantability or fitness for a particular purpose, or any other warranty, express or implied. No representative of ours has any authority to waive or change the foregoing provisions, and no statement or recommendation not contained herein shall have any force of effect unless in an agreement signed by the officers of seller and manufacturer. Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent without authority from the owner of the patent. The following is made in lieu of all warranties, express or implied: Seller's and manufacturer's only obligation shall be to replace or credit such quantity of the product proved to be defective at its discretion.
