## Product Guide

### The Mactac Legacy Printvinyl™ Series. . . now more robust than ever.

Designed for short to medium term, these three to five year films offer superior printability on most wide format print technologies, including solvent, eco-solvent, latex and UV inkjet. Now available in gloss and matte, the facestock will provide excellent density, color and performance. Adhesives available in clear and gray, permanent and removable for virtually any application.

- Now available in 9 constructions to accomplish any task
- Up to 5 years outdoor durability with or without laminate
- Solvent, Eco-solvent, Latex and UV printable
- Backed by the Mactac trusted Open Image Warranty<sup>SM</sup>

- Backed by the Mactac trusted Open Image Warranty<sup>SM</sup>
