

macbond®

ultra 555

Applications

Fixture & Dispenser Mounting | Acoustic Panel Mounting

Sound Damping | Mirror Mounting

Architectural Detailing | Shiplap & Decorative Paneling

Interior Signage & Display

Fixture Mounting

Acoustic Tiling

Sound Damping Insulation

Mirror Mounting

General Assembly

Architectural Detailing

Interior Signage

Features

- Ultra-strength pressure sensitive adhesive
- Foam and Film Carriers for ease of handling
- Easy Release liner, excellent for all types of installation processes

Benefits

- Ultimate holding power for mounting fixtures, signs or panels with a large profile
- Superior bond to Low VOC paints and low surface energy materials
- Water resistant
- Foam carriers provide excellent cushion between dissimilar surfaces
- Replaces mechanical fasteners

We're Solid.
