

MACcopy JR.®

Short-roll, Precise offering

Same exceptional print quality our customers have come to expect from MACcopy®, but available in our convenient short-roll, Precise offering.

Order just one roll at 1,250' on 3" cores.

The perfect size for Primera CX1200 Digital Presses.

Roll Label

PSA-coated papers and films in roll-to-roll form. Extensive product options, available customization, varying roll lengths and widths, and customer friendly services, like our Mactac PreciseSM Program, which offers shipping on a precise amount of material needed for small runs and limited applications.
