# PLATINUM<sup>TM</sup>

Semi-Gloss

*The Platinum Brand —  
Brilliance, Durability and Strength*

## Roll Label

PSA-coated papers and films in roll-to-roll form. Extensive product options, available customization, varying roll lengths and widths, and customer friendly services, like our Mactac Precise<sup>SM</sup> Program, which offers next-day shipping on a precise amount of material needed for small runs and limited applications.

The Platinum Brand of Semi-Gloss products represents Brilliance, Durability and Strength. Platinum makes your graphics sparkle, gives your labels the robustness needed for today's difficult applications, and keeps your presses running fast and smooth. Platinum is offered in a variety of basis weights and adhesive options giving you a vast selection for your application needs. The Platinum Brand of Semi-Gloss products are the choice for today's flexographic printers.
