

Security and Tamper-Evident Labelstock

Roll Label

PSA-coated papers and films in roll-to-roll form. Extensive product options, available customization, varying roll lengths and widths, and customer friendly services, like our Mactac PreciseSM Program, which offers next-day shipping on a precise amount of material needed for small runs and limited applications.

Tamper-evident security labels make consumers aware that a product or enclosure has been accessed when it shouldn't have been. Security labels include those that irreparably break upon removal attempts or permanent adhesives that leave behind residue.
